

Each one Help one

Sewa International is a global service organization with presence in 15 countries. It has worked actively in relief operations during the Gujarat earthquake, Orissa floods, Latur earthquake, Guyana floods, Tsunami in Asia etc. It is an organization entirely run by dedicated volunteers, heralding from all sections of the community, working together to Serve to Humanity. Its motto is “*Nar Sewa Narayan Sewa*” which means “Serving Humanity is Serving God”

In 2006, Sewa International USA launched a sewa internship program for youth called ‘**Yuva for Sewa**’. The motivation was to involve the youth in Sewa activities. Shobhit Mathur, a graduate student at the University of Washington was the first intern. He interned in a South American country called Suriname teaching Information and Communication Technology to students at the University of Suriname.

Buoyed by the great success of the program last year, this year Yuva for Sewa has expanded all over the world. This year there are several internship projects in India, USA, Suriname, Guyana and Trinidad. At the same time, several students are interested in participating in these projects.

Sponsorship Appeal: The internship duration is between 6 weeks and 3 months. Typical expenses for the internship include, air fare, visa fees, boarding and lodging. Most students who are willing to volunteer do not have sufficient personal funds to meet these expenses. Sewa International requests you to sponsor one intern. Details about the intern and project will be provided. Through this donation we can help the interns participate in this wonderful program. Please contact Shobhit Mathur at the address given below for more details. **Together we can serve better.**

Each and every moment I spent in Suriname was very satisfying and a great learning experience. I would cherish the memories for the rest of my life. I am highly grateful to Sewa International for offering me this opportunity and I hope many other youth participate in Yuva for Sewa in the years to come.

Shobhit Mathur
Yuva for Sewa
2006 Intern
